

DIDACTIC-SPORTS-RECREATION CENTRE

LOCATION: Monasterolo Del Castello (BG)

CLIENT: City di Monasterolo del Castello

ARCHITECTONICAL DESIGNERS: Francesco Fulvi,
Pier Luigi Russo, Lucio Cocconi, Pierluigi Borlenghi,
Luigi Piacentini, Emilia Di Pippo

DATES AND PLANNING: 2005 - Competition

The area where will be located the didactic-sports-recreation centre of Monasterolo del Castello is characterized by a very high environmental quality, because of its location on declivity down to the lake Endine and inside the lake park. The key elements of the project are the integration with the region and the continuous dialogue with the landscape. In this way they become a constant presence in students life and in life of all the people employed in the different structures.
