

# COFFEE BAR AND TABACCO SHOP

LOCATION: Bologna

CLIENT: Arreditalia (RA)

ARCHITECTONICAL DESIGNERS: Francesco Fulvi, Simona Bernardoni, Silvia Fecci, Marco Mosconi

TOTAL AREA: 80 sqm

DATES AND PLANNING: February 2011 - Proposal of Interior Design

The project of interior renovation was divided into several hypotheses with the aim of satisfying the needs of the client. It needs a new place for the appetizers: an overhang cocktail cabinet increasing its visibility from outside, cocktail/appetizers cabinet at the entrance to entice customers to enter. It was also used color to give dynamism to the bar ; it was also tried to optimize the space to increase the number of tables and chairs making more comfortable waiting at the checkout.
