

# RENOVATION OF A PRIVATE HOUSE

LOCATION: Rolo (RE)  
 CLIENT: Private  
 ARCHITECTONICAL DESIGNERS: Francesco Fulvi, Simona Bernardoni, Silvia Fecci, Marco Mosconi, Michele Sbarsi  
 COLLABORATOR: Sara Galeazzi.  
 DATES AND PLANNING: 2012 - Outline Proposals, Detailed Proposals, Final Proposals

The project is a building and energy renovation of a private house, focused on the basement and the first floor. The building is located in the historical core of Rolo and it is identified as "Building with historical - cultural value and testimonial value"; the only possible action is "Renovation with partial restriction". The house has three levels with an internal stair; the main façade is the South-East side, and the rear façade is the North-West side in front of the internal court.
